Orthotic & Prosthetic Centers Announces New Locations

Premier orthotic and prosthetic provider opens two additional Florida offices

SAINT PETERSBURG, FL – Molly Forte, Director of Operations at Orthotic & Prosthetic Centers, announces new office locations in Lakeland and Port St. Lucie.

Continuing to expand on their more than 25 locations in Florida, North Carolina, and South Carolina, OPC's goal is to provide its patients with convenient access to the team regardless of location. Molly notes, "This also allows for a continuation of care within our team, should a patient relocate."

The Lakeland office opened in January 2019. It is located at 2316 Lakeland Hills Blvd, Lakeland, FL 33805. The Port St. Lucie office is scheduled to open in May 2019. It will be located at 1781 SE Port St. Lucie Blvd, Port St. Lucie, FL 34952.

OPC's goal is to continue to provide the best orthotic and prosthetic care in the communities they serve. For more information about OPC or its new locations, visit www.opcenters.com or call 855-727-5347.
